## ABOUT

I'm an aspiring graphic designer recently graduated from RMIT with a Bachelor of Communication Design.

I specialise in and enjoy mixed media design, combining physical image making with the digital. I am proficient in Photoshop, Illustrator and InDesign, but am still developing my own identity as a designer. I am eager to keep learning and improving as a creative, and would love an opportunity to grow as part of a team within a work environment. I am always up for a challenge, and love finding new ways to express my creativity.
